DUNDEE

A piece of furniture should, of course, be functional but it should also elevate your interior. That's exactly what the Dundee cabinets do, effortlessly. These design storage units feature distinctive horizontal compartments that are staggered and cut off halfway. Place two Dundee cabinets side by side and they form one seamless whole, making it easy to extend them into a modular storage system. The combination of the eccentric shape and the matte terracotta colour adds a delightful retro vibe to your space.

- Made from wood with a matte finish
- Finished in a warm terracotta colour
- Available in different sizes
- Can be extended by placing multiple cabinets side by side

CECILE

The dining room is the place to enjoy good food, great conversations, and memorable moments. With Dutchbone Cecile, you instantly add warmth and character to the space.

Inspired by the cosy interiors of the 1950s, 60s, and 70s, Cecile also fits seamlessly into a modern home.

An eye-catching seat, natural materials, and a retro twist make this chair a true mood-setter for your dining table.

- Made from solid beech wood with a warm brown finish
- Handwoven rope seat adds texture and timeless charm
- Pairs effortlessly with both classic and modern interiors
- Available as a chair and counter chair

KINTARO

Bring the warm, seventies vibe into your home with Kintaro. These striking pieces are made from solid oak, beautifully finished with rounded corners and organic lines.

The real showstopper is the unique seat, crafted from horizontally and vertically woven rope that interlaces at the centre. The slats beneath the seat offer extra space for books, shoes, or other items.

Inspired by Japanese interior design with a retro twist, Kintaro is perfect as an extra seat in the living room, hallway, or bedroom.

- Made from solid oak with a walnut or natural finish
- Features a sturdy woven rope seat
- Available in different variations and sizes
- Inspired by Japanese style with a retro twist

EARL

Sometimes, small additions to your interior can create a whole new feeling at home. The Earl table lamp instantly adds a pleasant, warm atmosphere to any space. The matte glass is adorned with a design in warm tones that blend together playfully – like a stylish watercolour painting. This creates an eccentric, artistic effect reminiscent of a 1970s interior. The elongated lampshade softly diffuses the light, enhancing the cosy ambiance.

- Available as a vase or table lamp
- Made from matte glass in warm colour tones
- Fitted with a lampshade made from light, woven fabric
- Inspired by the colours and look of a retro interior

SANTOS

A warm atmosphere at home is often found in the little details. Like a statement vase such as Santos. What you might not expect at first glance is that this accessory is made from aluminum. The matte finish gives it a bold, robust appearance. Combined with the deep colored tone and striking shape, the vase brings a charming 1970s vibe, but with today's quality. Perfect as a decorative piece on an open shelf, in the windowsill with dried branches, or on the table with a fresh bouquet of flowers.

- Made from aluminum
- Finished with a matte coating
- Available in various colours
- Inspired by the look of a 1970s interior
