ELEVATED LIVING

FALL / WINTER COLLECTION '25

Autumn and winter are seasons of warmth, layering, and coziness. The perfect time to enrich your interior with the Fall/Winter collection, where familiar shapes meet fresh accents.

Each item is designed to blend effortlessly with existing pieces, allowing current and new to complement each other. A collection crafted down to the smallest detail, from subtle color accents and rich materials to multifunctional designs. The finishing touch for your interior.

The Fall/Winter collection builds upon our existing foundation, adding a fresh layer of inspiration to your interior. Think of the beautiful glass Maria bowl on your dining table, the multifunctional Vero coat rack in the bedroom, and the striking Creek stool in chrome as a sparkling eye-catcher. Together, they complete the setting and set the tone for an interior that feels both familiar and new.

As if that wasn't enough, the designer lamp also features a charging port for your phone – now that's what we call multifunctional! On top of that, thanks to its stylish, minimalist look, this piece easily blends with a variety of interiors.

Cake

Feeling a sudden sugar craving just by looking at it? We get it. As the name suggests, this lamp is inspired by cake. Two layers of walnut-colored wood are separated by white paper just like a pair of chocolate cookies with a scoop of vanilla ice cream or gooey marshmallow in between (yum!).

The paper softly diffuses the light, creating a warm and inviting glow. Thanks to the mix of wood, paper, and ambient lighting, the Cake table lamp is a playful yet modern addition to any space.
