

HAYDON

RUG

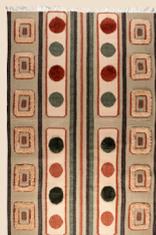

DESCRIPTION

Add more colour to your interior with the Dutch-bone Haydon. Indeed, this rug instantly creates an eye-catching, retro touch in your home. The combination of funky shapes and deep earth tones takes you right back to the feel of a seventies interior. Moreover, the variation in textures creates an interesting look. The high-pile surfaces make the colours and shapes come alive, and the fringes at the end add some extra playfulness.

LOCKHART RUG

DESCRIPTION

The Dutchbone Lockhart immediately catches the eye with its geometric shapes, which take you back to the feel of the 70s. Yet the soft colour tones keep the distinctive pattern balanced, making the rug easy to combine. In addition, the rug feels wonderfully soft and is made of hypoallergenic material.

Comes in various sizes.

RHEA

RUG

DESCRIPTION

Is the room still missing some warmth? Then add more atmosphere effortlessly with the Dutch-bone Rhea. This coarsely woven rug features a striking line pattern of cream-coloured polyester and brown wool, which blends in beautifully. An effect that gives the rug the look of a vintage find, but with today's quality. Comes in various sizes.

BASHMIRA

RUG

DESCRIPTION

You can add warmth to your interior with tasteful furniture, the right accessories and, of course, colour. With the Dutchbone Bashmira, you have the latter fully covered. This colourful rug is adorned with a beautiful print in a striking colour palette. Earthy tones, bright colours and white accents create a nice contrast that makes the ornate patterns come alive.

CAMINITO

RUG

DESCRIPTION

Your home should feel like a cosy spot – a place to warm your soul. And with the Dutchbone Caminito, you can add that warmth effortlessly. This woven rug features subtle, earthy tones that are easy to mix and match, making it suitable for almost any interior. Yet the graphic facets make the rug just a little different from the rest. The imperfect shapes create an exciting effect that immediately attracts attention.
