VISTA SET

With the Vista, you effortlessly elevate the comfort of your outdoor space. The generous seat and back cushions allow you to sink in beautifully. The aluminium frame with a light powder coating provides a calm appearance. This is complemented by the light wood of the tabletop, which adds a warm and natural touch.

Practical, comfortable and irresistibly stylish: Vista takes your outdoor space to a new level.

OASIS SET

Even if high temperatures are absent, the Oasis furniture creates a warm oasis in your outdoor space. Generous cushions rest on the acacia wood frame. These provide ultimate comfort and beautifully complement the greywash finish of the wood. But the showstopper of this set is, of course, the rope that playfully stretches between the back and armrests.

Available as a standalone sofa, chair, or complete set with table.
Equipped with seat, back, and arm cushions, upholstered in water-repellent olefin fabric. Made from acacia wood and finished with a greywash oil.

BLOOM LOUNGE CHAIR

Bloom turns plastic waste into something beautiful. The terrazzo or granite like feeling of the material inspired designer Peter van de Water to come up with its sculptural shape. Bloom is available in three colours. The black chair is made of 100% recycled waste from the car industry. The black- galaxy is a mix of 95% various industrial waste, and the white chair is at least 50% post-consumer and about 20% post- industrial waste.

Made in Italy from recycled LDPE by Ecopixel, acknowledged by the Ellen Mc Arthur foundation. Bloom features a concealed rainwater drain, so you'll always have a dry seat. Perfect for outdoors. The Bloom chair is a winner of two Archiproducts Design Awards 2022, category Outdoor & Sustainability. And was longlisted for a Dezeen Design Award 2022.

Made from recycled LDPE by Ecopixel, a by the Ellen Mc Arthur foundation

AVENUE SERIES

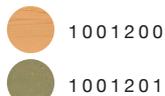

The foldable Avenue garden set

As soon as the Dutch sun makes an appearance, you'll want to enjoy it right away! Luckily, the Avenue garden set is ready in no time. The benches and table in this set are fully foldable, making them easy to set up and just as quick to store away flat when a summer shower arrives. The wood gives the furniture a fresh and natural look, while the rounded edges add a stylish touch and extra seating comfort.

Comes as a set with two benches and a table
Easily foldable thanks to the hinges
At the bottom of the table top is a bottle opener, perfect for opening all your drinks instantly!

SNOW SERIES

Although the name suggests otherwise, Snow tables are specially made to shine outdoors in the sun.

Even when you're sitting outside, you want to place your drink down in style. You can do this with the Snow. Although these side tables and coffee tables would also shine indoors, they are specially designed to radiate in the sun outside. The rust-free material is well resistant to a summer shower. The simple design and fresh colour also provide a nice, calm look.

SUNBRELLA

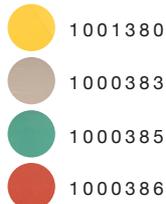

Want to enjoy as much fresh air as possible? Under the Sunbrella, you are always comfortable and sheltered. Thanks to the handle on the pole, you can easily open and close the parasol. Additionally, the tone-on-tone colours create a striking look. And because the pole and base are made of stainless material, this parasol is well-equipped to withstand a typical Dutch shower. Please note that the parasol should be weighted down or secured with parasol base tiles for optimal stability in various weather conditions

Easy to use and provides a stable base.

Weight the base yourself.

We recommend closing the parasol in winds of force 4 or higher.

BELLO TABLE LAMP

Why this table lamp is called Bello does not really need explaining. Its striking shape and brushed metal give it a playful look. Slightly retro, but with modern features. This lamp is rechargeable and therefore cordless. You can place it anywhere! The lamp is also dimmable, allowing you to set the mood yourself.

Made of brushed metal available in various colours.
Rechargeable and dimmable: lasts up to 120 hours on the lowest setting.
Suitable for both indoor and outdoor use.
