

**DUTCH
BONE**
A place to warm your soul

HAMILTON

LOUNGE CHAIR

DESCRIPTION

There is nothing like spending a rainy Sunday reading a good book. Add the Dutchbone Hamilton and you do that in extra comfort. Because this lounge chair takes comfort to a new level. The seat is fully contoured to the body as well as electrically adjustable. The chair is also covered in soft fabric, which feels great to the touch and provides a retro touch with its pleated details and brown colour. This lends a lovely vintage atmosphere to your home, but with today's comfort. The chair even has a USB connection so you can charge your phone or other devices.
