TIMELESS FAVOURITES

SPRING/SUMMER COLLECTION

Spring is the season of renewal: of softness, lightness, and a fresh sense of clarity. Get inspired to refresh your interior with the new Spring collection from Zuiver, where familiar silhouettes meet uplifting colours and refined materials. Each piece is crafted to harmonise seamlessly with your current favourites, so new additions enhance and elevate what you already love. From subtle colour shifts to airy textures and sculptural shapes, every detail has been carefully considered to bring a calm, rejuvenating atmosphere into your home.

This Spring collection introduces a bright new layer of inspiration. Picture the Luwte rug adding warmth and softness to your room and the elegant Linea glass table catching the light inside. The Raster series - inspired by Japanese rice paper panels - add structure and depth, whilst outdoors the Sunshine parasol in cheerful yellow brings a vibrant touch to terraces. Perfectly in tune with the season.

Together, these pieces set the tone for an interior that feels brighter, lighter, and effortlessly refreshed. A home ready to welcome the new season with open arms.

- Caroline van Velze, Creative Director
